"I'll be the first to admit that I'm kinda a slut," Amy gushed during an interview.

"When I'm horny, I take action and go for it. It used to make my boyfriend uncomfortable. I was always initiating sex and he wasn't used to that. But he got past it when I phrased it like this. 'Are you upset and angry because your girlfriend wants to fuck you?' That snapped him back to reality."

"I don't want it to sound like my boyfriend is a complete square, but he does have some sexual hangups. He's insecure that he's not as experienced as me. Sure, I've had more partners, but that doesn't mean shit. I told him that I'd do

something with him that I had never done before, and that he got to choose what it is. He decided that we should take naked photos and send them to your magazine. I was surprised, but I'd do anything to make him happy!"

"I love anal sex. I don't prefer it to vaginal because it's totally different and it's harder for me to cum with my butt, but I'd like to have it every other time I fuck my guy. I'm not on birth control, so when I desperately need to feel him cum inside of me, I let him creampie in my ass."

# Reader **CONFESSIONS**

Teenage lust knows no bounds, even when you're locked in a room with your girlfriend's parents!

## DON'T WAKE DADDY

*Dear Newcummers,*

Back in high school, my girlfriend at the time invited me to her cousin's wedding in Vancouver. I had a tense but good relationship with her parents, and they seemed okay with inviting me along. They were a Christian family, so I wasn't surprised when they booked a single room with two twin beds. They had money. The cramped quarters were a sign that mom and dad wanted to keep an eye on us kids. As it turns out, though, kids will always find a way to fuck if they want to.

The wedding was typical and boring, but the reception was wild. Even though we were teens, my girlfriend's dad let us drink two beers each. We danced for hours, twirling and grinding until we were exhausted. When the adults gathered around the bar taking shots, we snuck more drinks and gleefully drank them behind the band's stage, making out passionately between sips until we left.

Back in our room, her dad turned on the TV as he and the missus crawled into bed. We told them we were going for a walk around the hotel, but we'd be back shortly. Neither one opened their eyes as we exited. We walked around the grounds and past the heated swimming

pool. We held hands and stared up at the stars in the night sky. It was a warm night, but there was a cool breeze coming off of the nearby forest, and the air smelled like pine needles and moss. We snuck through the tree line at the end of the pool deck; the Douglas firs hid us from prying eyes. We stood there and kissed; our young, wet lips gliding over themselves; our tongues haphazardly colliding. She rubbed my jeans. I was already hard. I could get stiff back then from a strong breeze or a glimpse of a girl's thigh under a sundress. I reached under her skirt and pressed my fingers against her sheer panties. The soft folds of her pussy were

already soaking through the mesh, and I rubbed her clit through the damp material. We were dizzy with lust.

Then, the loud snap of a dry branch cracked through the air. We froze, our hands held fixed on each other, our ears perked in the sudden silence that you're only aware of when you think you heard something.

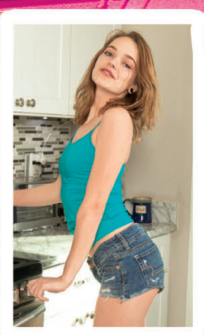

We waited for a few seconds.

"That was creepy. Let's go back," she whispered. I struggled my cock back into my pants as we jogged back to our hotel room, suddenly unsure if we were as discreet as we thought we had been.

*Continued on page 64*

*A wedding.  
A slight buzz.  
A walk in the woods. She was primed and ready to go!*

**"Vacay sex is the best!"**

Brittney took a little vacation with her boyfriend last spring. They took the opportunity to set some personal records. "We came up with all of these challenges for one another. Like, he asked me to lick his asshole for the first time. Then I challenged him to cum in all of my holes in one day. It was crazy!"

"My boyfriend also challenged me not to wear any underwear when we went out. I took him up on it because I thought I had only packed jeans and shorts, but then one night, right before dinner, he pulled out a short skirt he

bought me for the occasion! It was so short, I flashed my pussy and my ass every time I bent over or tried to sit down. I had to keep the napkin on my lap the entire dinner just to make sure nobody saw my cunt while I was eating!"

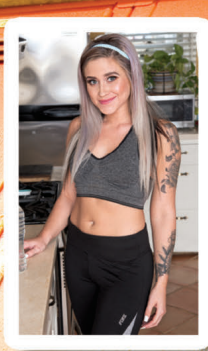

"When we got back home from our trip, we were exhausted, but we promised each other that we'd keep coming up with exciting, new things to do. The next thing we need to check off of our list is a threesome. The only thing holding us back is deciding if it will be with two girls or two guys. I'm pushing for two cocks!"

Cedella has a "fuck it" attitude. She's not rude; she just doesn't give a fuck what anybody thinks about her. "I'm living my best life," she explained. "I got my first tat when I was 18 and people kept telling me that I'd regret it, but I don't! I love who I am and what I look like. It's like when people told me to not send in my pictures to you guys. Fuck that! This is what I want to do. Who are you to tell me not to?"

"When I got my nipples pierced, I was afraid I was going to lose sensitivity in them. They say that it's a 50/50 split between heightening sensitivity or losing it. I'm so glad it was the former for me! I've always liked having my nips licked and sucked on, but now it's fucking ridiculous. I can get 90% of the way to an orgasm when a guy twists them during foreplay! Add a little bit of fingering to the mix and I'll be sure to cum buckets!"

"Like every other woman, I question my weight sometimes," the lovely Cleo told us. "I'm working on not being too hard on myself, but it's hard! All of the guys I've been with have told me that I'm perfect, but they were trying to shag me, so I'm not going to believe them! I sent in these pictures as a little self-esteem boost."

"I saw a therapist who recommended that I come up with a list of things about my body that I'm happy with. First off, I wrote down that I have great tits. Most of my girlfriends are flat-tits, and they're envious of my rack. I'm also pretty happy with my arse. Sure, it's large, but I like having a big bahookie. And when I ride a bloke's cock, I enjoy when he grabs a handful of my arse!"

"I don't look like it, but I'm a total nerd!"

Daisy is a bit of an unnatural fit for our mag. She's not overtly sexual. "I'm fine going without sex for a long time. After I lost my V-card, I didn't fuck again for six years," she told us. She also has a strange taste in men.

"I have the biggest crush on Seth MacFarlane, the creator of Family Guy." Even if she's a bit odd, we still love Daisy and her hot bod.

"This is the first time I've had a bush," Daisy explained after we pointed out her hairy snatch. "I've been shaving since I was a teen. That's what felt natural to me. Now I'm trying to grow out my bush just to see what it feels like. So far, it's awesome. I'm sticking my hands down my pants all the time just to run my fingers through the hair!"

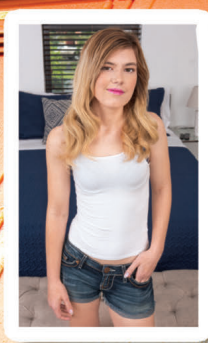

After almost an hour of badgering, we finally got Daisy to tell us her deepest, darkest fantasy. "I don't look at porn too often, but when I do, I find myself looking up latex and bondage stuff. I don't like the extreme stuff, but paddle spankings and choke collars are hot. I rub myself and imagine that I'm in a room full of men wearing latex and they're all my sex slaves that I control and have complete power over."

Madison is a self-described "shy type." She ran cross country in high school. She likes playing video games and watching professional wrestling. Her favorite wrestlers are Randy Orton and Roman Reigns. Oh, and she loves sucking cock. "I would say sucking dick is a hobby of mine. My nickname is Magic Mouth!"

**“I don’t like swallowing. Just cum on my face!”**

"My biggest fantasy is getting fucked by a big black guy. I'm into light bondage, so I'd want to be tied up in bed. After some spankings, he could fuck me doggie-style, my favorite position. I'd also like to try some cuckolding. My boyfriend is game to try it, but we'd have to find the right bull to take me. My guy is 50 years old, so that definitely adds another layer to the whole thing."

"Pretty much everything I do is because I'm rebelling against my parents," Paisley told us. "They think that just because they help me pay for school, they own me. I'm my own person, and I'm capable of making my own decisions." Paisley's big decision in our studio was whether or not she should shoot a XXX scene. After some nudging on our part, she decided to go all the way. "I figured there's not much of a difference between masturbating on-camera and fucking on-camera."

"I'm currently studying criminology in college. I want to become a social worker and help people get themselves out of the cycle of violence and crime. I'm sure if these pictures ever got out, I'd lose my job. So, if you see me on the street after jerking off to these photos, just be cool and don't say anything. Don't be a fucking nark!"

"Your stud has a big dick, but it's not the biggest thing I've ever put inside myself. I had a boyfriend with a small cock who was obsessed with watching me stretch my pussy. He bought a dildo that was a foot in diameter in the middle! I only managed to take the whole thing once."

"I've never had a three-way, but I'd like to try one someday. I've already decided that I'd like to do it with another girl. Plus, I think it would be awesome to try eating out a pussy while there's a cock in there."

We don't know much about Ava. She sent in these photos with some legal paperwork saying we could publish them any way we want. We appreciate that kind of deal. So, as an intro to her personality, we at least know that she's considerate. She's also cute, young, and obviously very skilled in making herself cum. What else do you really need to know?

**Enjoy

Here's more of what we do know about Ava. She briefly mentioned that she's starting college classes, but she isn't sure what her major will be. She also told us that she didn't lose her virginity until earlier this year, so we know she's inexperienced. We hope Ava sends in more photos, but we're not holding our breath. We're willing to bet that she's a one-and-done girl.

Danni is currently studying to get her associates of science. She enjoys going to raves, playing card games and rooting for her Boston sports teams. She told us that she used to sing opera, and when she came to our studio to

fuck on-camera for the first time, we got a front-row performance of her impressive pipes. See, young Danni is a screamer. "I can't help it," she told us. "It's a primal thing. When I get good dick, I make a ton of noise."

If you want to impress Danni, take her on a date and make decent conversation. "I'm kind of your typical Boston girl. Your money doesn't mean shit to me. If you want to take me out, let's go get some steak and then take a walk. There are too many tiny-dicked losers out there who think they can buy good pussy like mine. They wish!"

"I've only been with five guys in my life, but that's not bad considering I'm only 18. Your stud had the most control out of all of them. Most of the dudes I've been with lasted less than ten minutes, but your stud fucked me for a good twenty before I had to tap out. I have a really sensitive clit, and I was rubbing it and cumming like crazy when he fucked me doggie-style."

continued from page 20

Her parents were fast asleep. Her mom lay on her back, snoring like a chainsaw. Her dad lay prone. His six and a half foot body occupied 90% of the twin mattress—his feet dangled off the end of the bed. The TV was still blaring so we left it on for white noise and got changed into our pajamas before getting under the covers in our bed. My girlfriend was shaking a bit, scared about the noise in the woods. I snuggled behind her and cradled her body to help her feel relaxed again. Her hair smelled like strawberries and vanilla, and her body was warm underneath her baggy T-shirt and panties from our brisk jog and the beers. My cock was aching for release after our teasing. It pressed against her ass and I wanted desperately to be inside her. She must have felt the same way because she began to tickle my hip. We dry humped for a minute. I reached for her perky tits under her nightshirt, but she rebuffed. She didn't want foreplay. I pulled my shaft out. I was slick with precum and as hard as an oak tree. She pulled her panties down to her knees. Her cunt was radiating heat, and I slowly rubbed her juices with the tip of my dick. I was hyper aware of where we were and who was in the room with us, but I didn't have a choice in entering my girlfriend right there. I was powerless in the situation. I pulled her close as I slid inside her effortlessly. Surrounded by her moist hotness, my cock began to throb. I gripped her hip and swayed against her, grinding my shaft against her G-spot. Her pussy absorbed me and tightened, trembling and pulsating. I slid in and out, trying to be as quiet as possible. All I could concentrate on was our pleasure. As I felt my balls swell, I became concerned about where I would finish. I usually busted on her tits or she sucked me off and swallowed, but that would be too conspicuous, to say the least. She must have sensed my concern. "I'm on the pill now, remember? Cum inside me," she whispered breathlessly. I picked up my pace, pushing harder and deeper inside her. Her pussy let out an endless dribble of nectar, soaking the sheets between us.

All of a sudden, there was movement under the sheets on the next bed. We

Moscow, Russia

A faithful reader named J.R. in California wrote to us asking why we couldn't find any redheads with pubes. A few weeks later, we received an email from Candy and her luscious bush, looking to submit photos. How about that for a happy coincidence?

Candy works in a posh hotel that caters to rich businessmen. Yes, she has had sex with some of them. No, she can't divulge their names. She enjoys seeing live music, dancing and going to art shows in her limited free time.

Candy told us that she's never shaved her pubes all the way, and that's a normal thing in Russia. Apparently all of her friends have bushes, too, but theirs aren't nearly as long or as spectacular as Candy's. "I only use a razor on my thighs and scissor-cut my bush when a partner requests it," she told us. "But I'd never go all the way down to bare skin. I like my hair too much for that."

## Las Vegas, Nevada

Recent high school grad Casey informed us that she's not sure if she'll go to college. "My dad's a plumber and he does well for himself. To be honest, I'd rather just be a stay-at-home wife and make sure my hubby is happy."

"I know it's weird, but I have a fetish for feet and hands," Casey told us. "I always keep my nails looking good because my favorite thing in the world is giving hand-jobs. I like getting the dick good and lubed up, then sliding my fingers around it and slowly stroking until his cum lands on my shiny, painted nails. The same thing goes for footjobs, but they're harder to do. It's a serious ab workout!"

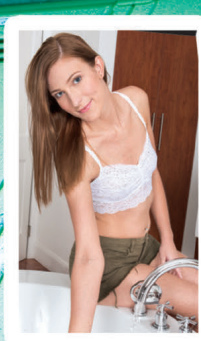

"I'm hoping to have a bunch of crazy adventures before I settle down. I want to experiment with a woman. My childhood best friend and I have made out a bunch of times, but I don't think I could fuck her. We're too close. The ideal situation would be to have a threesome with a guy and we could spend all of our time fucking the other girl."

"I would say that the weirdest thing about me is that I have a fetish for animal tail butt plugs," Alyce shared with us. "They are normal stainless steel plugs, but the end has, like, a fox tail coming out so when I wear it, it looks like I have a cute tail. They make them for all sorts of animals, too. It's not just foxes!"

"My kinkiest sexual encounter was with a sexy DJ at his house. He pulled me towards him and kissed me really hard. Then he reached down and pulled off my fishnet stockings. He pushed me to the ground and pulled out his cock. It was pornstar big, so I was a happy girl. We fucked like animals until I was sore. It was probably the roughest and best sex I've ever had."

"I like masturbating in the bath because the water pressure is usually enough pressure on my clit to make me cum right away. I don't even have to work hard to have an orgasm! I just hold the shower handle and let the water do the work. When I use my vibrator, it's much more work. I have to go back and forth from penetration to clit play."

stiffened-immobilized by fear for the second time that night. A sniff, a light cough, a sigh, then her dad rose, groggily surveying the room. I closed my eyes, still penetrating his daughter a few feet from him. When the old man had his bearings, he stumbled to the bathroom. He didn't know we were awake. After a few seconds, we heard his piss land in the bowl. My girlfriend leaned back and whispered, "That was a close call." Then she wiggled her ass, indicating that she wasn't finished with me. I gave her a thrust to let her know that I would rather have her dad beat me to death than not cum inside her that night.

We went immobile again when he reentered the room. He zombie-walked back to his resting spot and collapsed. As he landed, my girlfriend pulled me into her again. It didn't seem to matter that her father was certainly not asleep again yet. His breathing was slowing, but he could surely hear everything. Her hand reached between her thighs and she began to massage my balls. She wrapped her thumb and pointer finger around my shaft and began to jerk me. I remained completely silent as she did everything in her power to get me to creampie her. I looked across the room at her dad. He paid for me to come there. She grinded against me harder and faster, jerking me at the same time. Her other three fingers tickled my nuts. I couldn't hold it in any longer. I tapped her shoulder and she thrust herself all the way around me and squeezed my balls hard. I emptied myself into her desperate cunt. Spurt after spurt sprayed her loins. She tightened her pussy's grip. I jerked and spasmed as little as possible, but it was the hardest fight of my life.

I fell asleep like that, my dick inside my beautiful girlfriend, the both of us covered in sweat and a thick duvet. Some time during the night, she must have removed me because I woke up with my cock back in my shorts, hearing the sound of her parents rummaging around in the bathroom for their toothbrushes. I bought breakfast for the group that morning. It was the least I could do to repay the family for such a great trip.

"I have this special talent where I can think myself to orgasm," Samantha told us. We asked her to elaborate on her unique talent. "I have to be exceptionally turned on for it to work, but I can actually close my eyes and will my body to cum. Sometimes I'll do it during long flights when I'm bored and horny." Samantha didn't have to cum by herself for this pictorial, thank goodness.

Samantha practices free love, and you'd think it'd be a breeze to find a boyfriend who wants to fuck her and her friends, but apparently it's quite difficult. "I have yet to meet a man who doesn't become jealous. Like, every guy says that they're cool with me being a freak, but as soon as I tell them about a gangbang I went to, or about a chick I fingered at the club, they freak out and get possessive."

"I started thinking about doing an amateur porn shoot when I realized that I could schedule sexy activities for myself in advance and be perfectly safe while having the time of my life. I've always wanted to try doing DP, but I'm worried that normal guys would lose wood or try going too hard on my ass. With a porn stud, I don't have to worry about that! Plus, I'm in complete control of the fuck, and power always makes a woman feel sexy."

"You could say that I'm a cum addict. When I lost my virginity, the guy busted on my tits. I played with his load and slurped it into my mouth to see what it tasted like. I fell in love with cum right then and there. Now, I love it anywhere. My favorite place for a guy to finish is on my face, but I also like swirling jizz around in my mouth until I swallow it."
